

# Chelsea® Wetline Reservoirs

## Overview:

Will my wetline components work together properly? Will they hold up day-in and day out?

These concerns can be eliminated by ordering Chelsea's complete wetline system. Featuring our proven P.T.O., popular pumps, and the widest array of aluminum or steel reservoirs available, the Chelsea system gives you superior performance. Not to mention stress-relievers like:

- Quick Ship capabilities to ensure you get your components when you need them
- One manufacture covering all wetline component warranties
- Complete line of P.T.O.s, pumps and reservoirs specifically engineered to work together for dump trucks / trailers, low boys, moving floors and combination applications
